

King Kahufu™

You are agents representing one of five major interest groups:

1. **ARCHAEOLOGISTS OF EGYPT**
2. **MAYOR AND NEHRI TOWN COUNCIL**
3. **SCIENTISTS RESEARCH INSTITUTE**
4. **ENTREPRENEUR INTERESTS INC.**
5. **PRODUCERS GUILD OF FILMMAKERS**

You each start with \$100,000,000 which you are authorized to spend however you choose to best manage this exciting discovery

You have decisions to make in six areas, each of which will require funds to action:

1. Pyramid Excavation – 1 decision only
2. Artifact Option – 1 decision only
3. Rah's Breath (medicinal plant) – 1 decision only
4. Environmental Issues
5. Tourism
6. Promotion

Your principals expect you to return a profit to them, as follows:

ARCHAEOLOGIST	= \$175,000,000
MAYOR	= \$325,000,000
SCIENTIST	= \$150,000,000
ENTREPRENEUR	= \$375,000,000
PRODUCER	= \$250,000,000

PROFIT = any cash unspent of the original \$100,000,000, plus the profit you make from the group's decision

Additionally the Antiquities Council of Egypt has some specific demands:

1. Decisions must be made by your group in all 6 areas
2. The combined profit of all 5 agents must be at least 10% above the combined minimum profit expectations of each individual agent

Combined minimums from each individual agent	\$1,275,000,000
--	-----------------

10% minimum required by the Antiquities Council	\$125,000,000
---	---------------

Total Required:	\$1,400,000,000
------------------------	------------------------
